

FOCUS SCHOOL PARENT NOTIFICATION
Hightower Trail Elementary

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career. Please visit the Georgia Department of Education's website at <http://public.doe.k12.ga.us/Pages/Home.aspx> for greater detail on each of the scores below.

Achievement Score	Progress Score	Achievement Gap Score	Challenge Points Score	CCRPI Score
26.2	33	5.8	4.6	69.6

Despite the progress made by our students, **Hightower Trail Elementary** has been designated as a Focus School under Georgia's ESEA Flexibility Waiver for the **2016-2017** school year. This designation is based on the school's 3-year average CCRPI Achievement Gap score, and we keep this designation until our school meets the exit criteria for Focus School status.

As a Focus School, we will work together with parents/guardians, our community, and the Rockdale County Schools to develop a school plan that delivers the necessary support to address the learning needs of our students and increase their academic success.

In order to address the needs of our students we are providing differentiated instruction from highly qualified instructors, tutorial services during the day from retired educators, and additional reading instruction 2 to 3 times weekly from our learning lab teacher.

An important part of Hightower Trail's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact **Kala Falker, Learning Lab Teacher** at **770.388.7010** or **kfalker@rockdale.k12.ga.us**

Sincerely,
Dr. Penny Mosley
