

CULTIVATE YOUR FUTURE!

@ THE **2024 AGRI-BUSINESS EXPO
& CAREER FAIR**

Plant yourself in one of the fastest growing and most secure industries in the state of Georgia.

High school students and their parents are invited to learn about career options in agri-business, connect with opportunities, and meet industry and legislative leaders.

You don't have to own land or live in rural areas to have a satisfying and successful career in agriculture. If your interests align with any of the check boxes below, don't miss this networking and learning opportunity.
